at Regular Glass + 20%

For freighting panels (only up to a certain size) there is a surcharge for building a crate and packing.

Discounts are available for larger quantity orders.

SHIPPING & HANDLING

Shipping breakaway glass is always a challenge. We take all care in the packing of the glass and have tested out several different courier firms to find who has the best handling record. If you have a preferred courier service please let us know in advance.

Interstate freight & handling charges for the bottles and glasses are typically:
\$50-\$90

Lastly, the more lead time you give us the better the product will be. Orders can be rushed overnight at times, but may not be of the usual standard.

All prices are excluding GST
